

EXAMPLES TELLER DON'T ENT-And examples of video products could exist in itself made by the artist or a professional artist or a hired

A low-angle, upward-looking shot of a building's intricate steel framework, creating a dense grid pattern. In the center-right, a lighthouse is visible through the grid, its white tower and red-topped lantern room standing out against the blue sky. The overall tone is industrial and architectural.

JOURNEY OF LIGHT

WITH ALBERT WATSON

KYOTO GRAPHIE, BNM MEXAN PRLE FIELD M-PRC DUC TION CO MPA NY

A series of 3 short films, 2-5 minutes, will be made for BRAND Japan depending on the sponsorship tier

The films can be used in Social Media promotions to drive awareness, excitement and acknowledge BRAND Japan role in the GYRE Exhibition.

▪
A longer more dramatic film can be used at the BRAND'S Japan retail.

JOURNEYMAN-SELF-MADE

This film is a good example of how DENON's items could naturally fit in the content of these journey films.

DENON - AML-ART at GYRE GALLERY, OMOTESANDO

DENON[®]

EXAMPLES TIER ONE CONTENT - An examples of videos your product could exist in if its self made by the artist or a professional crew are hired.

JOURNEY FILM EXAMPLE - SELF MADE

This film is a good example of how DENON's items could naturally fit in the content of these journey films.
