

THE EXHIBITION - AN EXPERIENTIAL JOURNEY through paintings, music and scents calling audiences to the natural world, awakening their oneness with it.

Do You Remember Me?

Have you forgotten my Embrace?

Your Beating heart is Mine

**Find you way back
to One with Nature**

Four orchestrated rooms will inter-connect taking audiences on a journey from the bustling streets of Omotesando to a peaceful embrace reconnecting them to nature and a self awareness that they are One With Nature.

Note: the above images are thematic for each room as paintings and installation is in the process of creation.
