BRAND PARTNERSHIP OPPORTUNITY

Brand experience + cultural positioning

Sponsorship of "One With Nature" — December 1 – January 8, GYRE Gallery, Omotesando

This is an invitation to partner with a solo art exhibition that sits at the intersection of nature, craft, and human endeavour. Rather than a conventional sponsorship, we are looking for brands whose identity aligns with the themes of the work - and who want to be present in an authentic cultural context, not just a logo on a wall.

- Partnership begins with a genuine integration of the brand's world into the journey of artistic creation - material, craft language, or shared ethos - documented from the studio through to the gallery wall.
- Films and still images will be produced in a documentary style, shown at the gallery as part of the exhibition. Cutdowns become promotional content for the gallery, the artist, and the brand across social media and in-store channels.
- In the physical gallery, selected brand objects that genuinely connect to the themes of the work may be displayed alongside the artwork - presented with the same care and intention as the pieces themselves.
- Potential for a dedicated brand-activated space or room within the exhibition, tailored to tell the partnership's story in full.

WHAT THIS LOOKS LIKE
